(6) Obligations of the IC

- (a) ICs may not apply security deposit requirements, fixed monthly or nonrecurring charges, or any rates exceeding the highest price in effect for the MTS-type service to any allocated and user customer served through that end office within a two year period of end office conversion without first having obtained the written consent of such customer to the imposition of such terms. (N)
- (b) Each IC participating in the allocation plan shall within 30 days after any allocated customer has been connected to it, notify that customer, by bill insert or separate letter, of the ICs rates, charges, conditions of service, and domestic and international geographic range of services to such customers.
- (c) ICs must provide written notice on a timely basis to their allocated customers of any increases in rates, charges and added restrictions upon its services. Such written notice must be provided in English and must be made available in Spanish and Chinese from the IC upon request.
- (d) Each IC receiving nonpublished information for end user allocation, billing, or service purposes shall not use it for any other purpose. That information may not be released to any other entity. (N)

13.3.3 Presubscription and Preselection (Cont'd)

(N)

(B) Provisions (Cont'd)

(7) Obligations of ICs Providing Service to Public and Semi-public Pay Telephones

Participating ICs must:

- (a) have the capability of offering service to any point within the continental United States
- (b) not impose any fixed monthly or nonrecurring charges on the assigned premise owner without the assigned premise owner's written consent
- (c) have a Certificate of Public Convenience and Necessity (CPCN) to provide interLATA telephone service within California issued by the California Public Utilities Commission (CPUC) or have arrangements to transfer calls to a certified carrier
- (d) accept the Pacific Bell Calling Card in payment of intrastate end user call charges
- (e) charge rates for all interLATA intrastate calls that, in total, including MTS and operator handling surcharges, exceed no more than 110% of the tariffed dominant carrier rates for such calls
- (f) order FGD from the Utility or have their own Access Customer Name Abbreviation (ACNA) and Customer Identification Code (CIC)
- (g) be ANI sensitive. Certain public and semi-public telephones have specialized screening to indicate allowable call types
